THE UNIVERSITY COAT OF ARMS

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colors of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains. The book of learning dominates the design.

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The Pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University support the shield. Both wear collars of the University colors, as does the owl. At the base of the coat of arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: *Quaecumque vera* (“Whatsoever things are true”).

Greetings to the Graduates

Welcome to your convocation!

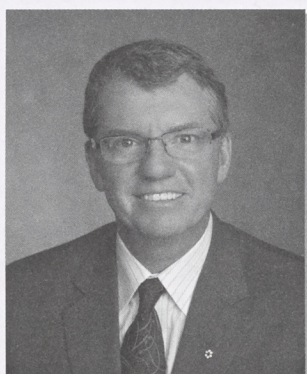

Today we gather to celebrate one of life's great milestones. While convocation is a time-honoured academic tradition from our past, together we recognize that your education and graduation are a very important part of our community's hopes for the future.

Your achievements here at the University of Alberta will be a foundation for your success in future endeavours. Your graduation today is an important step forward in your lifelong quest for learning and truth.

Congratulations and very best wishes for this day and always.

*Ralph B. Young
Chancellor*

Congratulations to the University of Alberta's class of 2016! Today is your day to celebrate the successful outcome of years of study, intellectual growth, and personal discovery. Wherever your next adventure may take you, be guided by the values that define your University. When our first president, Henry Marshall Tory, founded the U of A, he upheld two ideals: first, that knowledge should be for the "uplifting of the whole people," and second, that the pursuit of whatsoever things are true – quaecumque vera – is a lifelong task that leads to excellence and positive change.

Today you become alumni of the University of Alberta, one of Canada's leading post-secondary institutions. You join the more than 275,000 U of A alumni who have gone before you and played an extraordinary part in advancing their communities. Today, I congratulate you as you join their ranks. Follow their lead. Carry with you the ideals of your alma mater. And, with truth and integrity, use your particular passions, talents, skills, and education to uplift, build, and strengthen your communities, province, and nation.

*David H. Turpin, CM, LL.D., FRSC
President and Vice-Chancellor*

On behalf of the Government of Alberta, I am delighted to welcome everyone to the 2016 University of Alberta Spring Convocation.

Today marks an important milestone in your life, and you deserve to celebrate your achievements with treasured family, good friends, and talented peers. Graduates from the University of Alberta are amongst the most imaginative, innovative, and successful trailblazers in Alberta, Canada, and beyond.

Our province was built by risk-takers and visionaries. I know you will add to our rich heritage of success through your own entrepreneurship and creativity. As our province's leaders of tomorrow, you have endless opportunity to use your skills, knowledge, and experience to make a lasting mark in your profession and a positive difference in your community and the world at large.

You have all reached this milestone thanks to your hard work, dedication, and passion. I hope you take the time to share this accomplishment with your family, friends, classmates, and everyone who helped you along the way.

Congratulations!

Our Traditions

THE UNIVERSITY MACE

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr. Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 – 1970. It was presented by his son, Michael Galbraith, on behalf of his father on 26 May 1970.

Among its elements are: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Emblem. The University motto encircles the staff.

The ceremonial stand for the Mace was donated in 1987 as a memorial gift by family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors 1950 – 1966.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power – but the power of knowledge and the importance of the University in the community.

UNIVERSITY OF ALBERTA CHEER SONG

*Ring out a cheer for our Alberta
A song of praise to Varsity.
For the splendour of our mountains
Our prairies green and gold.
Ranked beneath whose glowing colours,
Thy legions march enrolled.
Our memories will live forever
Beloved University.
We will fight for thee and cheer
And ever hold thine honour dear.
Our Alma Mater U of A
Green and gold! Quaecumque vera!
Guide us through each coming era,
Guide us on through battle gory
To a new and greater glory*

THE UNIVERSITY CEREMONIAL CHAIRS

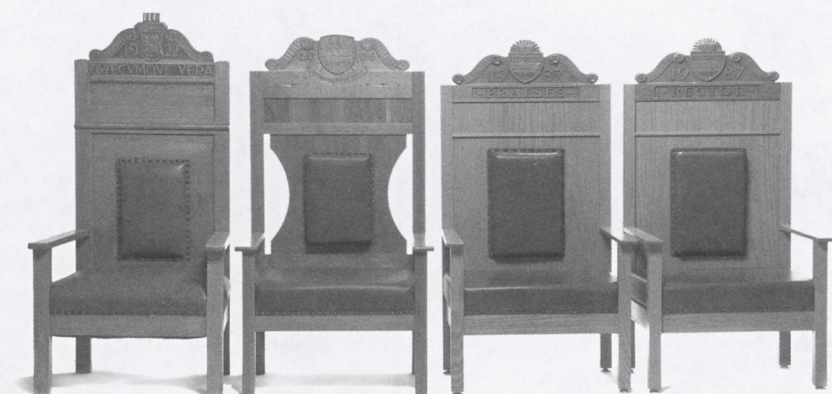

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded-leather back is carved the University motto Quaecumque Vera together with the class year, 1922, and the University emblem.

In 1987, the family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of two additional chairs for use by the President and the Chair of the Board of Governors at Convocation.

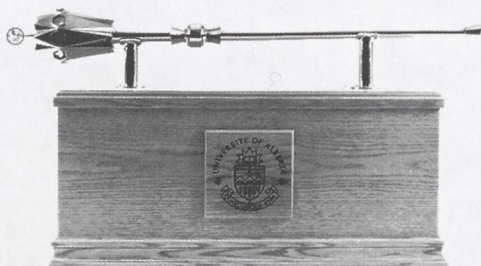

In 2006, a fourth chair was donated in memory and honor of Lois Elsa Hole, beloved Chancellor (1998 – 2000) and Lieutenant Governor (2000 – 2005), by Earl Evaniew, Sandra Kereliuk and their daughter Jennifer. This chair becomes part of the seating arrangements on stage, when the Lieutenant Governor or other high profile dignitaries attend the convocation ceremonies.

Convocation

Today's ceremony stems from the medieval tradition. The procession of the guild of teachers, whose solemn assembly, or convocation, is the modern equivalent of the medieval magna congregatio of all Faculties. It is led by the Chancellor and the Chief Marshal carrying the mace, the symbol of the University's corporate authority. The academic gowns, hoods and caps declare, in their various designs and colors, the academic qualifications of the Faculty. The citations and presentations by the Faculty to the Chancellor attest to him and to society the degree of proficiency attained by the students of the University. There follows a visible and public act whereby the universitas magistrorum, acting through its Chancellor, confers upon the students the appropriate degree. It is the act, not a certificate, which constitutes the validity of the degree bestowed. The words "I admit you"

and the placing of the students' hands within the hands of the Chancellor and his associates, bind the students in the appropriate degree to the universitas magistrorum. The students thereafter bear for all time the mark of their association with this University. They have received what the University has been and presently is. Because they bear in themselves the promise of the future, they are what the University hopes to be. Despite its solemnity, convocation is a joyous occasion.

Academic dress at the University of Alberta generally follows the tradition of Cambridge University in the design of the gown, and that of Oxford University in the design of the hood. See Academic Dress on page 84 for a detailed description of ceremonial colors.

Conferring of Degrees

THE PRESENTATION

The Senior Dean presents the candidates for degrees with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

THE PLEDGE

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

THE ADMISSION

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

The graduates remain in their places.

AUGUSTANA CAMPUS

David H. Turpin

David H. Turpin, CM, PhD, LLD, FRSC, is the 13th president and vice-chancellor of the University of Alberta. One of Canada's most admired and respected post-secondary leaders, Dr. Turpin has held several leadership roles, including president of the University of Victoria (2000–2013), vice-principal academic (1995–2000) and dean of the Faculty of Arts and Science at Queen's University (1993–1995), and head of the Department of Botany at UBC (1991–1993).

Dr. Turpin has served on many national and international academic bodies and is currently chair of the board of the World University Service of Canada and Vice-Chair of the U15 Executive Heads. A distinguished scholar and Thomson ISI highly cited researcher in plant biochemistry and physiology, Dr. Turpin has earned many honours and distinctions for his research, teaching, and service to the community. He was awarded the Steacie Memorial Fellowship in 1989, the Queen's Golden Jubilee medal in 2002, and the Queen's Diamond Jubilee Medal in 2012, and is a member of the Order of Canada and a fellow of the Royal Society of Canada. In June 2015, he received an honorary doctor of laws degree from the University of Manitoba.

Honorary Degree Recipient

CONGRATULATIONS

Mark Carney

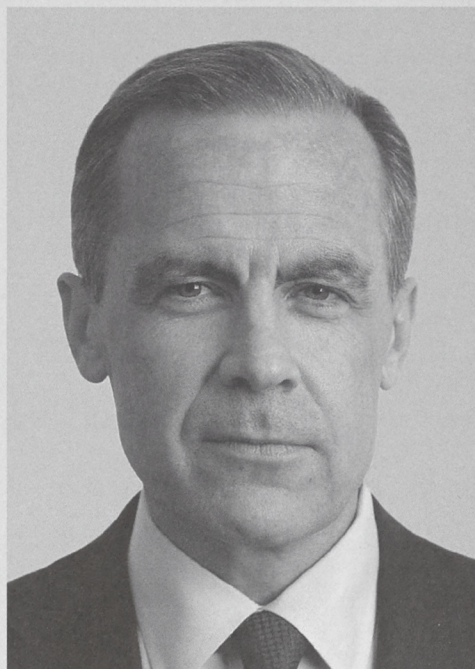

Mark Carney is Governor of the Bank of England and Chairman of the Monetary Policy Committee, Financial Policy Committee and the Board of the Prudential Regulation Authority. Her Majesty the Queen approved his appointment as Governor in November 2012. He joined the Bank in July 2013, as the first non-Briton to be appointed to the role since the Bank was founded in 1694.

Considered the “outstanding central banker of his generation” by the United Kingdom’s Chancellor of the Exchequer, Mr. Carney has responsibility for regulating banks and other financial firms as well as setting interest rates. In addition to his duties as Governor of the Bank of England, he serves as Chairman of the Financial Stability Board, an international body that monitors and makes recommendations about the global financial system. He also serves as First Vice-Chair of the European Systemic Risk Board, a member of the Group of Thirty and a member of the Foundation Board of the World Economic Forum.

Mark Carney was born in Fort Smith, Northwest Territories in 1965 and raised in Edmonton, where his father was a professor of education at the University of Alberta. He received a bachelor’s degree in Economics from Harvard University in 1988. He went on to receive a master’s degree in Economics in 1993 and a doctorate in Economics in 1995, both from Oxford University.

After a thirteen-year career with Goldman Sachs in its London, Tokyo, New York and Toronto offices, Mr. Carney was appointed Deputy Governor of the Bank of Canada in August 2003. In November 2004, he left the Bank of Canada to become Senior Associate Deputy Minister of Finance. He held this position until his appointment as Governor of the Bank of Canada in February 2008, and served as Governor and Chairman of its Board of Directors until June 2013. He is credited with playing a major role in steering the Canadian economy through the global financial crisis, championing clear communication and predictability.

A leader in the development of monetary and financial-sector policies in Canada and around the world, he was invested as an Officer of the Order of Canada in 2015.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Governor Mark Carney:

R.G. (Ralph George) Hawtrey. *The Art of Central Banking*. London: Longmans, Green and Co., 1932.

This first edition, first impression copy of an important work by British economist R.G. Hawtrey (1879–1975) is extra special because it was acquired with the exceedingly scarce dust jacket. The advertising copy on the jacket explains that the principal essay in the book “traces the art of central banking from the early practices of the Bank of England and the first tentative use of Bank rate up to the matured methods that had been attained by 1914.” Other essays are included that cover a variety of topics, including French Monetary Policy, the Wall Street Speculation and Collapse, and a critical assessment of John Maynard Keynes’s *Treatise on Money*. Hawtrey had a distinguished career in the administrative civil service where he worked at the Treasury from 1904 to 1945; he was knighted in 1956.

NATIONAL ANTHEM

O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Roméo Dallaire

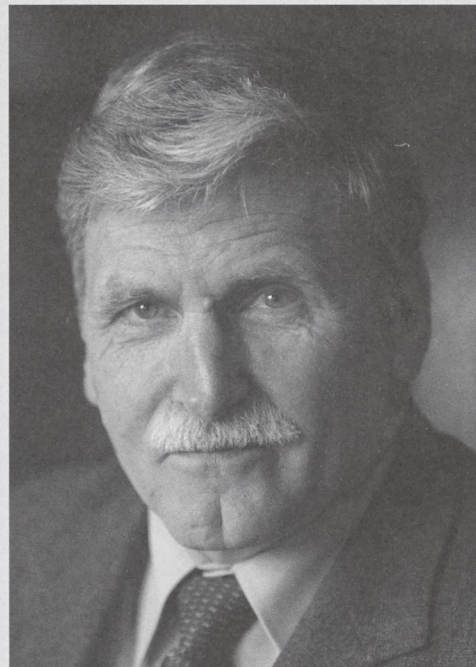

The Honourable Roméo Dallaire has had a distinguished career in the Canadian military, achieving the rank of Lieutenant General and Assistant Deputy Minister of Human Resources in the Department of National Defense.

In 1994, LGen Dallaire commanded the United Nations Assistance Mission for Rwanda (UNAMIR) when extremist Hutus in the Kigali government launched an orchestrated massacre of Tutsis. His requests for a broader UN mandate in Rwanda and more troops were denied, and an estimated 800,000 Rwandans were killed in less than 100 days. LGen Dallaire's experiences became the subject of the book *Shake Hands with the Devil: The Failure of Humanity in Rwanda* that was awarded the Governor General's Literary Award for Non-Fiction in 2004 and was the basis of a full-length feature film released in 2007.

Medically released in 2000 due to post-traumatic stress disorder (PTSD), LGen Dallaire has worked as an author, lecturer and humanitarian, conducting research on conflict resolution and child soldiers at the Kennedy School at Harvard. He founded The Roméo Dallaire Child Soldiers Initiative in 2007 with the mission to end the recruitment of child soldiers. His most recent book, *They Fight Like Soldiers; They Die Like Children – the Global Quest to Eradicate the Use of Child Soldiers*, proposes solutions to eradicate this international concern. LGen Dallaire has also helped to reform the assistance provided to a new generation of veterans across Canada affected by post-traumatic stress disorder.

He served as a Canadian Senator from 2005 to 2014 and was Vice-Chair of the Senate Standing Committee on National Security and Defence as well as President of the Senate Subcommittee on Veterans Affairs. He was appointed with Bishop Desmond Tutu to the United Nations Secretary General's Advisory Committee on Genocide Prevention in the spring of 2006 and is a Fellow at the Montreal Institute of Genocide Studies, Concordia University.

A Commander of the Order of Military Merit, LGen Dallaire was appointed an Officer of the Order of Canada in 2002, a recipient of the Pearson Peace Medal in 2005, and a Grand Officer of the Order of Québec in 2006. Since leaving the Senate, he continues to dedicate his time to humanitarian causes.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to L.Gen (retd) Honourable Roméo Dallaire:

Anne Frank. *The Diary of a Young Girl*. Trans. B.M. Mooyart-Doubleday. Introd. Eleanor Roosevelt. Garden City, NY: Doubleday, 1952.

Anne Frank has given generations of readers a candid account of the two years that she spent in hiding in Amsterdam before her family was betrayed to the Nazi authorities and sent to Auschwitz. In her introduction to this edition, Eleanor Roosevelt characterizes Anne's diary as "one of the wisest and most moving commentaries on war and its impact on human beings" (7). Anne reveals both her childish innocence and wisdom beyond her years: "The world will still keep on turning without me, what is going to happen, will happen, and anyway it's no good trying to resist" (164). Nelson Mandela reported reading the book while in prison and said that Anne's words were a tremendous source of inspiration. This first English-language edition is in very good condition and features the original dust jacket. An estimated 30 million copies have been sold in 70 languages worldwide, making it one of the bestselling books of all time.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Order of Ceremonies, June 8

AFTERNOON CEREMONY, 3 P.M.

PRESIDING

Mr. Ralph B. Young, *Chancellor*

MUSICAL PRELUDE

Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME. Vocal accompaniment is by Oliver Munar, a graduate student in Music. Please remain seated during the prelude.

CEREMONIAL PROCESSION

Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party. Members of the procession enter the auditorium in the following order:

Chief Marshal and Mace Bearer

Marshals

RECESSION

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia

Honorary Degree Recipient

CONGRATULATIONS

Indira Samarasekera

Dr. Indira V. Samarasekera served as the 12th President and Vice Chancellor of the University of Alberta from 2005–2015. A champion of the university's rise in international rankings and commitment to *Dare to Discover*, she has devoted her career to advancing innovation in the private sector and in higher education.

As a Hays Fulbright Scholar, she earned an MSc from the University of California in 1976. In 1980, she was granted a PhD in metallurgical engineering from the University of British Columbia. She received the E.W.R. Steacie Memorial fellowship in 1991, awarded by the Natural Sciences and Engineering Research Council of Canada to the top 4 researchers under 40.

Dr. Samarasekera is internationally recognized as one of Canada's leading metallurgical engineers for her groundbreaking work on process engineering of materials, especially steel processing. She held the Dofasco Chair in Advanced Steel Processing and also served as Vice-President Research at the University of British Columbia. A consultant for industry worldwide, she was awarded the Order of Canada in 2002 for outstanding contributions to steel process engineering. In 2014, she was elected to the National Academy of Engineering in the US, the profession's highest honour.

She is currently a Senior Advisor for Bennett Jones LLP and serves on the Board of Directors of the Bank of Nova Scotia, Magna International and TransCanada. She serves on the boards of the Asia-Pacific Foundation, the Rideau Hall Foundation, and the Perimeter Institute of Theoretical Physics. She is also a Distinguished Fellow in Residence at the Liu Institute for Global Issues the University of British Columbia. She was recently appointed as a Federal Member to the Independent Advisory Board for Senate Appointments.

She served on the Prime Minister's Advisory Committee for Renewal of the Public Service, the Conference Board of Canada, Canada's Science, Technology, Innovation Council, the Minister's advisory committee on Canada's Global Commerce Strategy and the Public Policy Forum.

She is a Fellow of the Royal Society of Canada, a Fellow of the Canadian Institute of Mining, Metallurgy and Petroleum (CIMM) and an Honorary Member of the American Institute of Mining, Materials and Petroleum Engineering. She received the Peter Lougheed Leadership Award from the Public Policy Forum in Canada in 2012.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr. Indira Samarasekera:

James W. Shepp and Daniel B. Shepp. *Shepp's World's Fair Photographed. Being a Collection of Original Copyrighted Photographs Authorized and Permitted by the Management of the World's Columbian Exposition...All Described in Crisp and Beautiful Language.* Chicago: Globe Bible Publishing, 1893.

The illustrations in this publication are reproduced from original photographs of the World's Columbian Exposition held in Chicago in 1893. This major cultural event celebrated the 400th anniversary of Christopher Columbus's first transatlantic voyage. Forty-seven nations were represented with beautifully designed pavilions that housed 65,000 exhibits. The Canadian building is described as a "very graceful edifice" made of wood featuring "distinctively Canadian" exhibits including cheese weighing 11 tons and a block of pure nickel weighing 4600 pounds. International exhibitors showcased the culture, technology, and ingenuity of their nations. The Exposition attracted more than 21 million visitors who saw attractions like the original Ferris wheel and the first electric moving sidewalk.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Honorary Degree Recipient

CONGRATULATIONS

Morris Flewwelling

Morris Flewwelling started a lifetime of public service and civic leadership as a teacher with the Red Deer Public School District. In 1968, he started the first alternative junior-high school for at-risk junior high students, which developed into a model for the province.

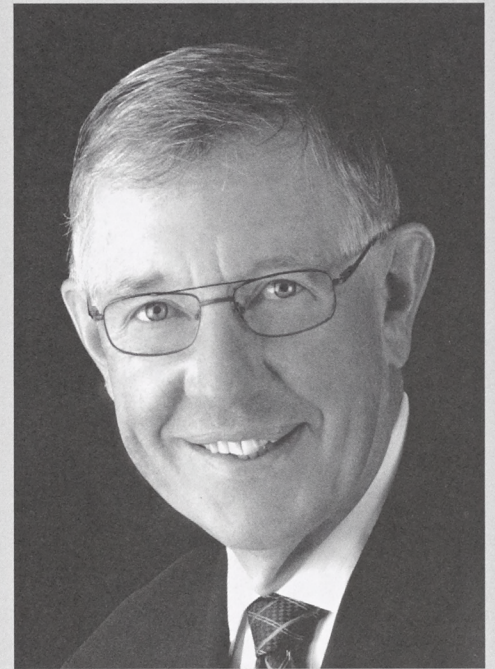

The Director of Museums in Red Deer for 18 years until his retirement in 1996, he also became a leading voice for arts and heritage groups across Canada. He served as a Founding Director of the Alberta Historical Resources Foundation, a Governor for the Heritage Canada Foundation, Treasurer of the Canadian Nature Federation, and President of both the Alberta Museums Association and the Canadian Museums Association.

Mr. Flewwelling was first elected to Red Deer City Council in 1974, serving until 1978. Named Red Deer Citizen of the Year in 1982, he was re-elected in 1995, 1998, and 2001. In 2004, he was elected Mayor and re-elected in 2007 and 2010. He retired from public service in 2013 and currently trains horses, runs a small cow-calf operation in central Alberta and operates Bar V J Management Consulting Ltd.

A past president of the University of Alberta Alumni Association, he founded the Red Deer and District Community Foundation in 1989 and the Heritage Community Foundation in 1999. A Founding Director of the Leadership Centre of Central Alberta, he also chaired the Campaign Cabinet for the United Way of Central Alberta. From 2003 to 2005, he was as a Founding Director of the ad hoc committee that established the Lieutenant Governor of Alberta Awards in the Arts.

In 1997, Mr. Flewwelling was named a Member of the Order of Canada. In 2006, he received the Prix Roger Motut in recognition of his leadership in promoting French language and culture in Alberta. In 2012, he received the Queen Elizabeth II Diamond Jubilee Medal and the Alberta Museums Association Lieutenant Governor's Award. He was also inducted as Chief Mountain Eagle of the Cree Nation.

In 2013, *Venture Magazine* listed Mr. Flewwelling as one of the 50 Most Influential People in Alberta. In 2014, he was named to the Alberta Order of Excellence for public leadership and for professional and volunteer service.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Morris Flewwelling:

Howard J. Horton, ed. *The Juvenile Museum, A Miscellaneous Journal, Devoted to the Improvement and Moral Amusement of the Junior Class of Society*. Mountpleasant, Ohio: Ezekiel Harris, 1822–23.

This first edition copy of a little-known American children's magazine was launched in September 1822 and was published for a year by the Seminary Range Literary Association. Edited by Howard J. Horton, the publication was "designed to embody in a neat and portable size, a pleasing variety of useful and interesting matter, for the entertainment of the Junior Class of Society, of both sexes." The editors make it clear that their highest ambition as "conductors of a periodical miscellany" is to "afford an agreeable medium of juvenile productions, for rational amusement, in the hours of relaxation" (1). This scarce book urged an expanding readership of literate boys and girls to consider evangelical and utilitarian preaching such as: "One of the things that I dislike, is, a rustic and slovenly appearance. Nothing is more unsightly in company, than to see a parcel of clownish fellows with their mouths just half open, saying nothing and thinking less".

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

NATIONAL ANTHEM

O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Salah Bachir

Salah Bachir is a Canadian entrepreneur, patron of the arts, philanthropist, magazine publisher and the President of Cineplex Media, which represents over 90 percent of cinema advertising in Canada.

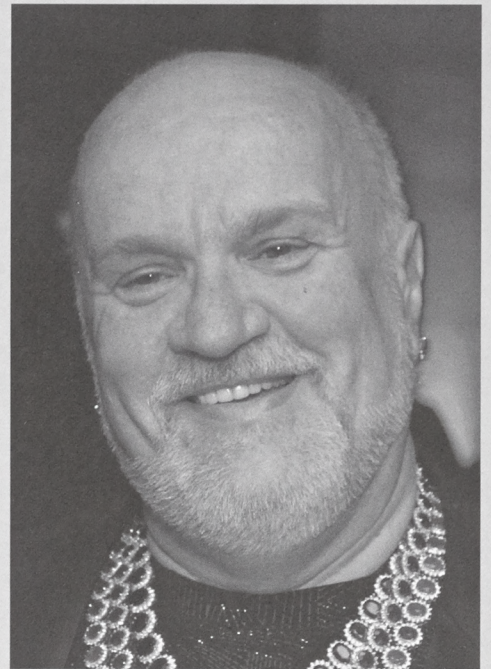

In his current position, he oversees sales and production of web, on-screen, in-theatre and magazine advertising for all Cineplex Entertainment theatres as well as other chains represented by Cineplex Entertainment. Cineplex Media also sells an extensive network of digital signage advertising and other non-cinema media.

Mr. Bachir has been president of Cineplex Media and Publisher of Cineplex Magazine and Le magazine Cineplex since 2005, when Cineplex Entertainment purchased Famous Players and Famous Players Media, which Mr. Bachir founded in 1999 in partnership with Famous Players.

A founding board member of the Canadian Foundation for Aids Research (CANFAR), Mr. Bachir is a passionate philanthropist who has chaired galas and fundraisers for an extensive list of charities. He continues to offer support and volunteer leadership on the Honorary Committee of the Institute for Sexual Minority Studies and Services (iSMSS) at the University of Alberta. He has also spearheaded events benefiting The 519 Church St. Community Centre in Toronto, The Lebanon Project, the Art Gallery of Ontario and the Governor General's Performing Arts Awards.

Among the honours Mr. Bachir has received are the Variety Club of Ontario's Heart Award (1996), Famous People Players' Man of the Year (2008), and an Excellence in Business Award from the Canadian Civil Liberties Association (2011). He also received the Canadian Centre for Diversity's Human Relations Award (2012), Inspire's Lifetime Achievement Award (2013) and the Leadership Award from the Canadian AIDS Society (2013). In 2015, Mr. Bachir was named Outstanding Volunteer by the Greater Toronto Chapter of the Association of Fundraising Professionals. He was also chosen as the recipient of the MOCCA Award in Contemporary Art 2015 from the Museum of Contemporary Canadian Art.

Mr. Bachir is an avid art collector and enthusiastic patron of mostly Canadian art. His diverse collection of more than 3,000 pieces features many works by Canadian artists such as Betty Goodwin, Stephen Andrews and Attila Richard Lukacs, as well as international icons like Andy Warhol and Helmut Newton.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Salah Bachir:

Andy Warhol and Nat Finkelstein. *A Catalogue As Multiple: Andy Warhol*. Amsterdam: Antiquariaat Parade, 1992.

In 1964, Nat Finkelstein (1933–2009) was granted access to Andy Warhol's (1928–1987) famous New York City studio space known as "Factory" where he spent several years taking photographs that are now celebrated as iconic images from an extraordinary period of cultural revolution. This limited edition catalogue is housed inside a handmade wooden box, the top and bottom of which are decorated with a silk-screened portrait of Warhol, made and signed by Finkelstein. The loose-paged catalogue describes more than a hundred various Warhol items, and the box also contains a mirror with a silk-screened portrait of singer-songwriter Nico (1938–1988), a blue rubber ball, two pieces of foam, a brown bag screened "About Andy" and a bottle filled with wine that is labelled with a screened portrait of Warhol. This copy is signed and numbered "29/200" in silver marker pen on the bottom of the box by Finkelstein

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

NATIONAL ANTHEM

O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

University of Alberta Medicine Graduation Oath

Professor R. Fedorak, *Interim Dean*

"Eminent Chancellor and President, I present to you the graduates of the Doctor of Medicine degree and ask them to declare the Graduation Oath".

The MD graduates reply:

"I do hereby swear this oath before my friends, colleagues and family.

I will endeavour to provide the highest quality of care for my patients.

I will provide information enabling my patients to make decisions and recognize their right to accept or refuse medical treatment according to their own values.

I will never exploit my relationship with my patients and their families, and I will treat them with dignity and respect.

I will protect the privacy of my patients.

I will interact in a considerate manner with others providing patient care.

I will not tolerate discrimination.

I will not engage in medical care which I feel is unethical.

I will henceforth remain a student, that I may expand and refine my knowledge, skills and attitudes.

I will recognize my limitations and seek aid when my expertise falls short of my patients' needs.

I make these promises solemnly, freely and upon my honor in the noble traditions of the Art of Medicine".

University of Alberta Dentistry and Dental Hygiene Graduation Oath

Professor P. Major, *Chair, Department of Dentistry*

"Eminent Chancellor and President, I present to you the graduates of the Doctor of Dental Surgery and Dental Hygiene programs and ask them to declare the Graduation Oath".

The Graduates reply:

"This oath I take upon my honor having been admitted to the professions of Dentistry or Dental Hygiene, before this assembly, in accordance with the tradition of Hippocrates.

I will use my professional knowledge and skills in service to human health by:

Promoting health and healing and reducing suffering to enhance the well being of those entrusted to my professional care.

Acting responsibly to gain understanding of patients' needs, maintain ethical confidentiality and provide respectful and informed counsel and care.

Willingly sharing the art and science of my profession supported by a commitment to lifelong professional learning.

Committing myself to the development of my professional skills to the perpetual objective of providing excellence of service to patients.

Honoring the tenets associated with my profession".

RECESSION

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia

Honorary Degree Recipient

CONGRATULATIONS

Anthony Fields

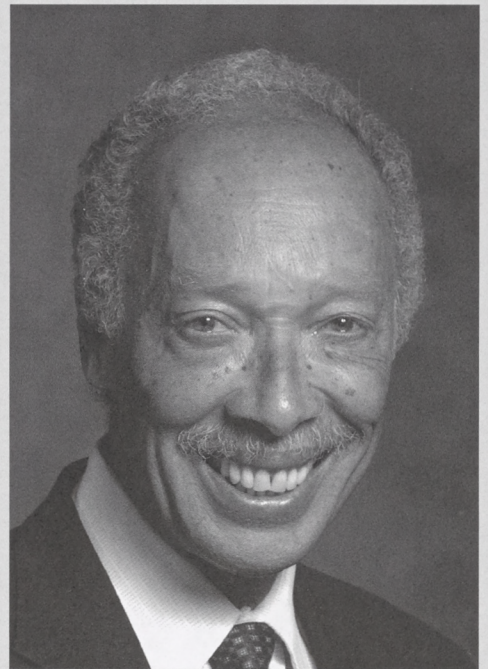

Anthony Fields, Professor Emeritus, Department of Oncology, University of Alberta, is a medical oncologist specializing in gastrointestinal cancers and a member of the medical staff of Alberta Health Services.

Dr. Fields was born and raised in Barbados. He studied natural sciences at the University of Cambridge and medicine at the University of Alberta, graduating in 1974. He completed post-graduate training in internal medicine and medical oncology at St. Michael's Hospital and the Princess Margaret Hospital respectively, in the University of Toronto system.

Dr. Fields joined the faculty of the University of Alberta and the medical staff of the Cross Cancer Institute in 1980. He held leadership positions in the University of Alberta including Director of the interdepartmental Division of Oncology and Acting Chair of the newly established Department of Oncology. Within Alberta's health system, he served sequentially as Director of the Cross Cancer Institute, Vice President, Medical Affairs & Community Oncology of the Alberta Cancer Board, and Vice President, Cancer Care, Alberta Health Services. He retired from this last position and from the faculty in 2011.

Dr. Fields is Chair of the Health Quality Council of Alberta and Chair of the Provincial Advisory Council on Cancer of Alberta Health Services. On the inter-provincial scene, he is also Chair of the Expert Review Committee of the pan-Canadian Oncology Drug Review and Chair of the Strategic Executive Advisory Committee of the Canadian Cancer Trials Group. He has contributed to the governance of several voluntary and professional organizations, including board member and President of the former National Cancer Institute of Canada (board member, President), the Canadian Cancer Society, the Canadian Breast Cancer Research Alliance, the Canadian Association of Medical Oncologists (President), the Canadian Association of Provincial Cancer Agencies and the American College of Physicians (Governor, Alberta Region).

Dr. Fields is a recipient of the Distinguished Alumni Award of the University of Alberta as well as the R.M. Taylor Medal and Award of the Canadian Cancer Society and the National Cancer Institute of Canada. In Alberta's centennial year he was named one of Alberta's 100 Physicians of the Century. In 2012, he was appointed a Member of the Order of Canada.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr. Anthony Fields:

Hans Bab. *The Origin of Cancer: A Deduction from the Bulk of the Observed Facts*. Stockholm: Andrén & Holms, 1962.

This slim soft cover publication is a treatise of Dr Hans Bab's inquiry into the origins of cancer. The foreword notes that Bab died in London on November 2nd, 1956, before he was able to publish the results of his research, but thanks to his widow and daughter, his work was published six years later in accordance with Bab's wishes that it "be of service to medical science." Only three print copies of this title exist in the world's libraries, so it was fortunate that Bruce Peel Special Collections was able to acquire the elusive book from a New York antiquarian book dealer that specializes in "landmark books" in all fields.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

NATIONAL ANTHEM

O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Jerome Nriagu

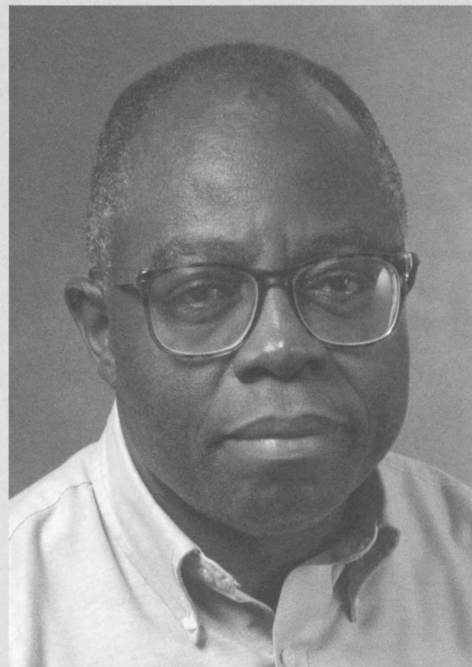

Dr. Jerome Nriagu is Professor Emeritus, School of Public Health, and Research Professor Emeritus, Center for Human Growth & Development at the University of Michigan in Ann Arbor. For nearly 40 years, Dr. Nriagu has studied the behaviors, effects and ultimate fate of various pollutants in the environment and the human body. He has contributed knowledge across several domains of environmental health sciences including water quality, risk science, environmental epidemiology and environmental injustice (health disparities).

He has authored, co-authored and/or edited over 30 books as well as over 300 peer-reviewed journal articles and book chapters. Thirteen of his papers were published in *Nature* or *Science*. His first book, *Environmental Biogeochemistry* helped to launch this particular academic discipline. His latest book, *Trace Metals and Infectious Diseases* (published in June 2015) signals a new area for research.

Dr. Nriagu had no chance of attending school without government scholarships. His parents were subsistence farmers in Nigeria who did not finish elementary school. As a young adult, he arrived in the United States with \$10 in his pocket. After completing his Master's degree, he was welcomed in Canada as a Biafran refugee when he had nowhere else to go.

His PhD research led to the use of phosphate to immobilize lead in contaminated soils. It also led to what would become a twenty-year posting with Environment Canada where he pioneered the application of sulphur isotopes to trace atmospheric emissions from smelters in Sudbury, Ontario. His renown researching emissions, transformations, and impacts of environmental pollutants brought him to the University of Michigan School of Public Health, creating new opportunities to do collaborative research on the human dimensions of heavy metal pollution. His work has advanced our understanding of arsenic in groundwater.

In 1987, Dr. Nriagu earned the first meritorious Doctor of Science (DSc) degree ever awarded by a Nigerian university. He was elected a Fellow of the Royal Society of Canada in 1992 and received its prestigious Miroslaw Romanowski Medal for outstanding contributions in the field of environmental sciences. He is also the recipient of a Fulbright Senior Fellowship and the Alexander von Humboldt Distinguished Research Award.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr. Jerome Nriagu:

Neil Arnott. *Elements of Physics, or Natural Philosophy*. 6th ed. 2 vols. London: Longman, Roberts, & Green, 1864–5.

An influential book by Neil Arnott (1788–1874), a philanthropic physician-scientist whose pioneering work focused on the application of scientific principles to a range of problems associated with public health and sanitation. First published in 1827, *Elements of Physics* was re-issued several times. This is the two-volume “completed edition” of the popular title. It includes substantial revisions and additions and is the final version to be published during the author’s lifetime. The text contains numerous line drawings illustrating key concepts to aid in the wider application of scientific principles. This copy is in very good condition in the original binding. This first volume contains a slip announcing that Vol. II is “in the press.” Both volumes contain the author’s handwritten inscription to Edward H. Greenhow, the physician-researcher whose work in the mid-nineteenth century provided evidence that proper sewage and unpolluted water could significantly reduce mortality rates in England.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

NATIONAL ANTHEM

O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

CONCLUDING REMARKS

Mr. Ralph B. Young

RECESSION

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia

Honorary Degree Recipient

CONGRATULATIONS

Jocelyn Bell Burnell

Currently a Visiting Professor of Physics at Oxford University, Dame Professor Bell Burnell has served as a Dean of Science at the University of Bath and for ten years as a Professor of Physics at the Open University. She also spent a year as a Distinguished Visiting Professor at Princeton University.

She read a Physics degree at Glasgow University, Scotland, and pursued a PhD in Cambridge (UK) in Radio Astronomy. During her time at Cambridge, she was involved in the discovery of pulsars – rotating neutron stars that appear to ‘pulse’ since the beam of light they emit can only be seen when it faces the Earth. This discovery opened up a new branch of astrophysics – work that was recognised by the award of a Nobel Prize to her supervisor. She worked subsequently in astronomy at many wavelengths and in many roles, for much of this period working part-time while raising a family.

She has used telescopes flown on high-altitude balloons, launched on rockets and carried on satellites, and built a radio telescope that was firmly grounded in Cambridgeshire. Later in her career, she could be found in Hawaii – panting for breath at 14,000 feet – and using the UK’s infrared or millimetre waveband telescopes. She has also co-edited an anthology of poetry with an astronomical theme – *Dark Matter: Poems of Space*.

A Fellow of the Royal Society, she is a recipient of the Oppenheimer prize, the Michelson medal, and the Magellanic Premium of the American Philosophical Society; a medal awarded only 34 times over the past 225 years for major contributions in astronomy, navigation or natural philosophy. She was elected a Foreign Associate of the US National Academy of Sciences in 2005.

Dame Professor Bell Burnell has also served as President of the Royal Astronomical Society and was the first female President of the United Kingdom’s Institute of Physics. She is now the first female President of the Royal Society of Edinburgh, Scotland’s National Academy.

A role model for young students and female scientists around the world, she was appointed to Commander of the Order of the British Empire in 1999 and Dame in 2007 for services to astronomy.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Professor Dame Jocelyn Bell Burnell:

Pedro de Medina. *Suma de Cosmografía*. Facsimile ed. Sevilla: Diputación Provincial Patronato de Cultura, 1947.

Pedro de Medina was part of an elite group of 16th century Spanish cosmographers who explored the intersections between astronomy and geography, revolutionizing navigation. His writings were frequently republished in Spanish and in translation. His *Suma de Cosmografía* is an overview of the ideas about astronomy and navigation at the time. It was published as part of his comprehensive *Arte de Navegar* (1545). There are four known surviving manuscripts of his cosmography – dated 1538, 1543, 1550, and 1561 – that reflect the rapid progression of ideas at the time. This facsimile edition of the 1561 manuscript reproduces elements of the original housed in the Biblioteca Capitulare de la S.I. Catedral de Sevilla. Printed on laid paper, it features a prologue by His Excellency Señor Don Raefael Estrada and astronomical illustrations that are illuminated with gold. This copy is number 14 of 200.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Registrar
Assistant Registrar
Members of the Judiciary
Governors of the University
Senators of the University
Representatives of Governments
Representatives of Postsecondary Institutions
Faculty of the University

NATIONAL ANTHEM

O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Ruth Kelly

Ruth Kelly is one of Alberta's greatest publishing success stories. She is the president and CEO of Venture Publishing Inc., and the publisher and editor-in-chief of the award-winning Alberta Venture and Alberta Oil magazines. Venture Publishing's custom publishing division also produces magazines for a variety of association, corporate and not-for-profit clients.

Ms. Kelly is currently a member of the board of directors of Magazines Canada, the Alberta Promise cabinet, the Alberta School of Business's Advisory Council, and the Mayor's Business Advisors Roundtable for the City of Edmonton. In 2015, she chaired the Capital Region's United Way campaign.

Her past board roles included a term as chair of the Edmonton Chamber of Commerce, first female chair of Big Brothers and Sisters of Canada, a founding board member of Travel Alberta, and chair of Alberta Magazine Publishers Association. She served as co-chair for the Art Gallery of Alberta's capital fundraising campaign, and was the founder of the Edmonton chapter of the International Women's Forum.

Born and raised in Alberta, she earned a degree in English from the University of Alberta in 1978. A powerful and articulate voice on important social, economic and political issues, she has worked tirelessly to help underprivileged women become independent and self-sufficient.

Ms. Kelly was recognized as a Global Woman of Vision in 1998, a YWCA Woman of Distinction in the Entrepreneur category in 2003, and was the Allard Chair of Business at the MacEwan School of Business in 2005. The Canadian Women in Communications selected her for their 2008 Woman of the Year award, making her the first Albertan to receive this national honour.

On the occasion of Venture Publishing's 15th anniversary, the Alberta Magazine Publishers Association honoured her with a Lifetime Achievement in Publishing Award. In 2013, she received the Queen Elizabeth II Diamond Jubilee Medal for her contributions to Canada. In the same year, Alberta Women Entrepreneurs honoured her with their Celebration of Entrepreneurial Achievement recognition.

Recognizing her exceptional business acumen and contributions as a role model in the community, the Alberta Congress Board selected Ms. Kelly as their 2014 Distinguished Workplace Leader award recipient.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms. Ruth Kelly:

A.H. Bullen, ed. *Lyrics from the Dramatists of the Elizabethan Age*. London: Chiswick P, 1901.

The dramatists of the Elizabethan period, including William Shakespeare, were venture capitalists who produced wildly popular stage entertainments before their writings were raised to their present literary status in Western culture. Over centuries, their works have been distributed in a wide range of publishing formats, ranging from the purely utilitarian – for students and actors – to the kinds of ornately-decorative productions that celebrate the publishing arts by elevating them to another level. This edited collection of lyrical poetry gathered from “the plays, masques, and pageants of the Elizabethan age” (vii) features an exquisite turn-of-the-century embroidered binding with gilt edges and is housed in a new silk-clad box. The hand-made binding is heavily embroidered with metal thread and various colored silks on silk satin fabric, with tiny paillettes sewn on as background design. A fragile turn-of-the-century binding that is in extremely good condition and is a fine example of its kind.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

NATIONAL ANTHEM

O Canada! Our home and native land!
True patriot love in all thy sons command.
Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)
Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Stephen Mandel

Stephen Mandel served as Edmonton's 34th mayor from 2004 to 2013. He and successive councils led the city through a major urban Renaissance in critical areas of governance, community investment and social, economic and cultural change.

Mr. Mandel worked to transform Edmonton as capital of Alberta and one of Canada's leading centres of political influence and economic growth. He championed a renewed model for regional governance in the metropolitan area, redevelopment of the former Blatchford Field, and reinvestment in community infrastructure including libraries, community recreation centres and the expansion of the light rail transit system. He also advocated the reshaping of the downtown sports and cultural core through the Ice District, Royal Alberta Museum, and Art Gallery of Alberta.

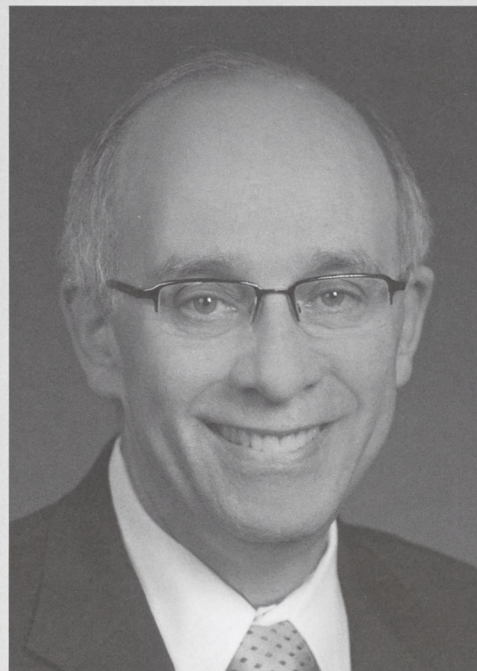

As mayor, he supported Pride celebrations, established and funded a new poet laureate, and launched the annual Mayor's Celebration of the Arts. With an eye to the future, Mr. Mandel also promoted Edmonton as a post-secondary education centre of excellence and focused on rebuilding the City's relationships with indigenous peoples and communities.

Under his leadership, city council invested in long-term programs to reduce poverty and improve safety, including one of Canada's most comprehensive and successful strategies to reduce the tragedy of homelessness. He has continued to support various charities and community initiatives including the Mazankowski Alberta Heart Institute, Heart and Stroke Foundation, Jewish Community Centre, Allen Gray Continuing Care Centre, and the Salvation Army.

A graduate of Miami (Ohio) University in Business, Mr. Mandel earned a masters degree in political science from the University of Windsor. Raised in Windsor, he moved to Edmonton in 1972 to join his father's travel trailer and real estate investment family business.

Following his service on city council, he was an MLA and Minister of Health for the Province of Alberta from 2014 – 2015. He continues to pursue a range of business interests as President of the Mandel Group. He and his wife Lynn have two children and one grandchild, to whom they are devoted.

He has received an Honorary Doctor of Divinity from Concordia University College, the MacEwan Distinguished Citizen Award, the City of Edmonton Salute to Excellence Award, and the Alberta Centennial and Queen's Golden Jubilee Medals.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Stephen Mandel:

Edmonton Visitors' Guide. Edmonton: The Hamly Press Ltd., 1955.

This highly collectible visitor guide from "the flourishing fifties" offers suggestions and ideas for what to see and do in Edmonton, and it also provides helpful information about local history, climate, and industry. The orientation and tour maps of Edmonton evoke a city that is rapidly entering a new and modern age of urban development and prosperity. The copiously illustrated guide also has a large number of advertisements for accommodations, sightseeing opportunities, restaurants, department stores, and specialty shops, suggesting that Edmonton has many modern amenities to suit the needs of visiting tourists and discerning customers. The guide paints the picture of an energetic young city in which "many active groups" promote theatre, music, and other artistic forms, and thereby laid the foundations of today's vibrant arts and culture scene.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

AFTERNOON CEREMONY, 3 P.M.

PRESIDING

Mr. Ralph B. Young, Chancellor

MUSICAL PRELUDE

Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME. Vocal accompaniment is by Michaela Chiste, an undergraduate student in the Faculty of Arts. Please remain seated during the prelude.

CEREMONIAL PROCESSION

Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party. Members of the procession enter the auditorium in the following order:

Academic Procession

Marshals

Registrar

Associate Registrar

Associate Vice-Presidents

Deans of the Faculties

Representatives of Postsecondary Institutions

Members of the Judiciary

Governors of the University

Senators of the University

Representatives of Governments

Faculty of the University

Vice-Chancellor's Procession

Assistant Chief Marshals

Chair of the Board of Governors

President and Vice-Chancellor

Government Minister

Chancellors Emeriti

Vice-Presidents

Honorary Doctor of the University

Vice Regal Procession

Mace Bearer and Chief Marshal

Chancellor

Aide-de-Camp to the Lieutenant Governor

Lieutenant Governor of Alberta

SALUTE TO THE LIEUTENANT GOVERNOR

When the Ceremonial Procession has reached the stage, a musical salute will be played in honor of the Lieutenant Governor. The Vice-Regal Salute is composed of the first six bars of the Royal Anthem, followed by a short version (the first four and last four bars) of the National Anthem. At the conclusion of the Vice-Regal Salute, the vocalist will lead the assembly in singing the National Anthem.

NATIONAL ANTHEM

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

*Il sait porter la croix! (The True North strong and free)
Ton histoire est une épopée (From far and wide, O Canada)
Des plus brillants exploits. (We stand on guard for thee)
God keep our land glorious and free!
O Canada! We stand on guard for thee.
O Canada! We stand on guard for thee.*

INSTALLATION OF THE CHANCELLOR

Ms. Carolyn Campbell, GM and Chief of Communications and Public Engagement, City of Edmonton; Dr. Kristopher Wells, Faculty Director, Institute for Sexual Minority Studies and Assistant Professor, Educational Policy Studies; and the Honourable Madam Justice Sheila Greckol, Court of Queen's Bench will introduce Chancellor-Elect Douglas Robert Stollery.

Dr. David H. Turpin will remark with these words:

"And now, on behalf of the Senate, I call upon Douglas Robert Stollery to come forward in order that Her Honour, the Lieutenant Governor of Alberta, may administer the Oath of Office and install him as Chancellor."

The Honourable Lois Mitchell, Lieutenant Governor, will then ask Douglas Robert Stollery to raise his right hand and will address him in these words:

"Do you, Douglas Robert Stollery, solemnly and sincerely promise and swear that you will duly and faithfully, and to the best of your skill and knowledge, exercise the powers and trusts reposed in you as Chancellor of the University of Alberta?"

Douglas Robert Stollery will reply:

"I do."

The President and Vice-Chancellor will address the Chancellor-Elect:

"Douglas Robert Stollery, I welcome you on behalf of the Senate of the University of Alberta and I now call upon the Registrar of the University to invest you with the robes of office."

Chancellor-Elect Douglas Robert Stollery will receive the official gown of the Chancellor of the University from the Registrar, Ms. Lisa Collins, and the cap from the Assistant Registrar, Ms. Corinne Callihoo.

Her Honour, the Lieutenant Governor will then say:

"Douglas Robert Stollery, at the request of the Senate, and by the custom of this University, I hereby install you as Chancellor of the University of Alberta, with all the powers and responsibilities pertaining to this office."

President and Vice-Chancellor David H. Turpin will then call for the University Mace from the Chief Marshal:

"Douglas Robert Stollery, I present to you the University Mace as a symbol of the authority of the Chancellor in the community."

Chancellor Stollery will place his right hand on the Mace and then ask the Chief Marshal to return it to the stand at the front of the platform.

CONVOCATION ADDRESS

Mr. Douglas R. Stollery

CONCLUDING REMARKS

Dr. David H. Turpin

RECESSION

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet him in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia

Installation of the Chancellor

CONGRATULATIONS

Douglas Stollery, Q.C.

A leading advocate for human rights, Doug Stollery has a deep commitment to social justice and humanitarianism in local, national and international communities.

Mr. Stollery earned an LLB from the University of Alberta in 1976 and an LLM from Harvard Law School in 1980. From 1982 to 2006, he was a partner with Reynolds Mirth Richards & Farmer LLP, where his practice focused on construction law, real estate law, corporate and commercial law, and constitutional law. From 2006 to his retirement in 2013, he was general counsel to PCL Constructors Inc., member of the board of directors of PCL Construction Holdings Ltd. and corporate secretary to the PCL family of companies. He is currently counsel to Reynolds Mirth Richards & Farmer LLP.

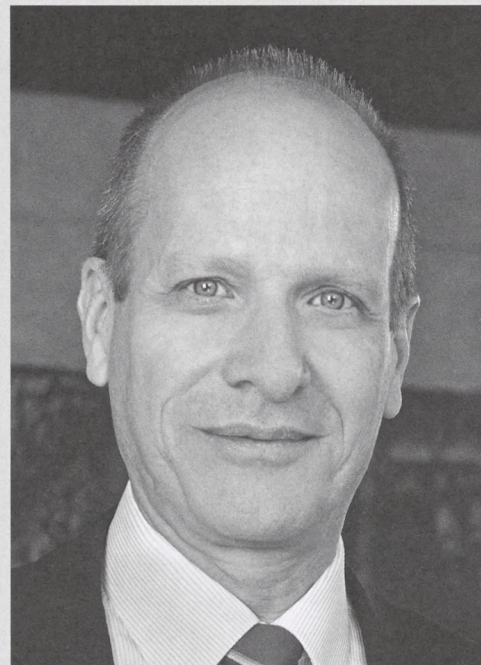

He has served as a sessional lecturer in the Faculties of Law, Business and Extension at the University of Alberta, a member of the Faculty of Law Advisory Committee, and a director of the Alberta Law Reform Institute. A former director of the Legal Education Society of Alberta, he has also served in a number of capacities for the Canadian Bar Association, including president of the Alberta branch.

His many accomplishments include pro bono work as co-counsel at the Supreme Court of Canada in the case of *Vriend v. Alberta*, a landmark decision that ruled the failure by the province to provide human rights protections on the basis of sexual orientation was unconstitutional.

Mr. Stollery currently serves on the boards of directors of CARE Canada, which supports families to live in dignity and free of poverty in some of the world's poorest communities, and The Stephen Lewis Foundation, which supports community-based organizations working on the frontlines of the AIDS epidemic in Africa. He also serves as president of the Stollery Charitable Foundation, as a volunteer for AIDS-Free World and as Chancellor of St. Stephen's College.

In the past, he has served as a director of the Stollery Children's Hospital Foundation, vice-chair of the board of governors for Grant MacEwan College (now MacEwan University), president of the Victoria School Foundation for the Arts, a governor of the Certified General Accountants' Association of Alberta and a director of the Edmonton 2001 World Championships in Athletics.

Mr. Stollery is the recipient of the Canadian General Counsel Lifetime Achievement Award, the University of Alberta Distinguished Alumni Award, MacEwan University Distinguished Citizen Award, Queen's Diamond Jubilee Medal, Edmonton Bar Association – Eileen Nash Award, and Alberta Human Rights Commission – Suzanne Mah Award for outstanding leadership in promoting human rights principles and ideals.

Douglas Stollery

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Faculty of Extension

The Faculty of Extension delivers over 300 courses annually to 7,000 students, almost 20 percent of whom are international students. More than 300 experts teaching in the fields listed below bring real-world experience to our programs, which are designed based on the current research of our professoriate. This research, principally in the areas of communication, social sciences, linguistics, community development, and non-traditional learning, has established Extension as a leader in the Scholarship of Engagement (an academic domain that ties our historical mission with the vision for the future of the University of Alberta at large).

Our relationships and partnerships reach far beyond this campus and province to a much larger global “community of communities” that is becoming increasingly more diverse in their cultures, perspectives, needs, and issues. As the University pursues and advances the process of community-university engagement, Extension brings unique perspectives, ongoing expertise, and plays a special role informing and advancing that process through lifelong learning opportunities. With our downtown campus, we are participating in Edmonton’s transformation.

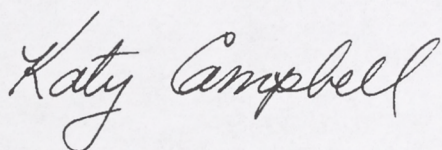

Congratulations to the Faculty of Extension’s graduates of 2016! Through your commitment to lifelong learning, you have made a positive impact in the communities where you work and live. As with every graduating class, today is a time to celebrate your achievements, recognize your “coaches” and supporters, and reflect upon the uplifting power of knowledge, citizenship, and action in our increasingly complicated world.

This year, there are over 800 graduates in the following Faculty of Extension programs:

Advanced Certificate in Leadership
Advanced Citation in Global Leadership
Applied Geostatistics Citation
Applied Land Use Planning Certificate
Business Analysis Professional Citation
Certificate in Adult and Continuing Education
Certificate in Local Government in Municipal Administration

Supervisory Development Citation

Congratulations and best wishes!

Katy Campbell, PhD
Dean, Faculty of Extension

Welcome to the Alumni Community

Congratulations on your graduation. Your walk across the stage completes your journey from student, to scholar, to alumnus.

You are joining a proud and inspired family of graduates who are committed to each other's success, and to building the University of Alberta into one of the world's great universities for the public good.

In 1915, a dozen grads first came together with a belief in their shared values and a desire to contribute to their community. UAlberta alumni are now more than 260,000 strong, in over 140 countries, and are inspired by the alumni promise and challenge to Do Great Things.

Globally, UAlberta alumni have founded more than 70,000 organizations. A third of those have social justice, environmental and cultural missions. Alumni-created organizations employ more than 1.5 million people – the equivalent of one in every five Albertans.

Your membership in this community starts today. Stay connected with each other, with other alumni, and with the university throughout your lifetime. We will be there for you, for each other, and for the university.

- Keep your ualberta email address and be sure to update your contact information if you move: alumni.ualberta.ca
- Read about campus news and alumni achievements in *New Trail*, UAlberta's award-winning alumni magazine. It will arrive free on your doorstep
- Watch for *Thought Box*, UAlberta's thought-provoking ezine
- Sign up for *Alumni Insider* monthly eNewsletter at alumni.ualberta.ca to learn about alumni events, reunions and to make the most of money-saving perks through the Alumni Association
- Follow us on Twitter, Facebook, LinkedIn and Instagram

Once again, congratulations. Now it is your turn to Do Great Things.

Bat-loving evolutionary biologist, co-host of *Daily Planet* on Discovery Canada, author of *Mother Nature is Trying to Kill You*, host of the podcast *Recent Paper Decent Puzzle*, and proud UAlberta grad.

Biggest life lesson learned on campus?

Following your own curiosity isn't a distraction from 'real work'. You can build a whole career on that.

What do you miss most about being a U of A student?

I miss having the metabolism of a 20 year old.

Favourite U of A Tradition?

Making the sprint from the Earth Sciences Building to BioSci in a t-shirt at -30°C.

If you got one university do-over, what would it be?

I should have gone to that Radiohead concert at Dinwoodie. I even had tickets. I don't know what I was thinking.

What should all new grads know?

You're not any more "done" or "starting" upon graduation than you ever will be. It's all one big journey, and everything just keeps changing.

Academic Dress

All undergraduate and master's degree gowns are the customary Cambridge shape, i.e., a gown of black material falling below the knee with full sleeves cut to the elbow and terminating in a point.

Hoods are made in the Oxford pattern of spruce green material. The Bachelor's hood has a border three inches wide of the color distinctive of the Faculty as noted below. The Masters' hood has a full lining of the color distinctive of the Faculty also noted below. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Doctorate Degrees

'Doctors' gowns (PhD, DMus, and EdD) conform to the Intercollegiate Code in design. They are made of black material and the velvet trim on the sleeves is Philosophy Blue for the PhD and DMus, and Education Light Blue for the EdD. Doctors' hoods conform to the Intercollegiate Code in shape, size, and color. They are made of black material to match the gown, and have a full lining of gold satin with a six-inch green satin chevron. The velvet trim distinguishes the two degrees and matches the velvet trim on the gown's sleeves. There is a narrow green

lining where the gold lining joins the black material. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Honorary Doctorates

Honorary Doctors of Laws (LLD), Letters (DLitt), and Science (DSc) wear a scarlet robe faced with white silk. Hoods are made in the Cambridge form of scarlet silk with a full lining of white velvet. Caps are black velvet with a gold tassel.

Je te Retrouve - I Remember You

Music and lyrics by France Levasseur-Ouimet Ph.D. Translation by France Levasseur-Ouimet and Laurier Fagnan
Bilingual version as it is actually sung (follow bold text). Gray text is translation of what is being sung.

French (1st verse and refrain, bridge and last refrain)

1. **Quand je pense a d'ou je viens**
A cette route qui m'a conduit a qui je suis
Quand je pense aux jours passes
Ton nom me vient comme un
refrain que j'aime chanter
Quand je pense a tous ces gens
qui ont laisse un coin d'ciel bleu
au fond de moi

Refrain

Je te retrouve, je te retrouve
Tu es les rêves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient
Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
d'hier a demain,
d'hier a demain

2. **Quand je retourne chez moi**
Par habitude je refais tous les memes pas
Quand je marche dans les rues
J'entends des voix qui font echo au fond de moi
Quand je pense a cette langue
Qui me raconte, qui me recite et qui me dit

Refrain

Je te retrouve, je te retrouve
Tu es les rêves que j'invente
Tu es la musique que je chante
Tu es la force qui me soutient
Je te retrouve, je te retrouve
Tu es les mots que je compose
Tu es les gestes que je pose
Tu es la route qui m'a conduit
d'hier a demain, d'hier a demain

Bridge

Tu es ma jeunesse
Tu es mes racines
Tu es mon histoire

Dernier refrain (deuxieme partie seulement)

Je te retrouve, je te retrouve
Tu es la source qui m'a nourri
Tu es la main qui m'a petri
Tu es la route qui m'a conduit
d'hier a demain
d'hier a demain

English (2nd verse and 2nd refrain)

1. When I think of where I come from
Of the road that has led me to who I am
When I think of days gone by
Your name comes to me like a melody
that I want to sing
When I think of all the people
Who have left a piece of blue sky
deep inside of me.

Refrain

I remember you, I remember you
You are the source of my dreams
You are the music that I sing
You are the strength that sustains me
I remember you, I remember you
You are the words that I compose
You are the source of my every gesture
You are the road that has lead me
From yesterday to tomorrow
From yesterday to tomorrow

2. **You have made me who I am**
Empowered me to seek and learn and understand
You have taught me how to dream
To value hope, to search for truth and honesty
Memories of youth and friends are like a song
That warms my heart and never ends

Refrain

I hear your name and I remember you
And all the years that have gone by
Cannot erase the sense of pride
That lingers deep within my soul.
I hear your name and I remember you
The words of those who showed the way
Revealed the course we'd have to stay
To build tomorrow from today
And all our dreams will carry on

Bridge

You are my youth
You are my roots
You are my history

Last refrain

I remember you, I remember you
You are the source that has nourished me
You are the hand that has molded me
You are the road that has led me
From yesterday to tomorrow
From yesterday to tomorrow
